

Tax Policy

Absolute Clean Energy Public Company Limited (the "Company") has established a Tax Policy applicable to the Company and its subsidiaries (the "Group") covering the entire organization, to demonstrate transparency in the Group's tax practices as follows:

1. Establish guidelines for tax management, planning, and payment, including compliance with applicable tax laws.
2. Submit tax payments or claim tax refunds accurately and within the deadlines prescribed by the relevant government authorities.
3. Utilize tax incentives and benefits correctly in accordance with the law, including applying tax structures appropriately without engaging in tax avoidance.
4. Maintain a tax function responsible for communicating and coordinating with government authorities, and providing accurate and factual tax information in all matters.

This policy shall be effective from February 28, 2022 onwards.
