

## **Stakeholder Engagement Policy**

Absolute Clean Energy Public Company Limited (the “Company”) places importance on all stakeholder groups, recognizing that their support and feedback are beneficial to the business operations and development of the Company and its subsidiaries (the “Group”). Therefore, the Company has established a Stakeholder Engagement Policy to be applied across the Group as follows:

1. Respect the rights of all stakeholders in accordance with the Business Code of Conduct.
2. Develop guidelines for identifying stakeholders and assessing their significance.
3. Implement processes for engaging stakeholders who are or may be affected by the Group’s operations by analyzing and preparing stakeholder engagement plans, and executing these plans accordingly.
4. Promote activities or projects for stakeholder engagement with clearly defined objectives, scope of each activity, and expected benefits from such activities and projects.
5. Establish accessible channels for stakeholders to submit information or complaints. In cases where stakeholders are affected by the Group’s operations, the Group must track and verify the information and determine appropriate solutions.

**This policy shall be effective from February 28, 2022 onwards.**
